

# Curriculum Vitae

## A.o. Univ. Prof. Dr. Svetlozar Surnev

### Personal Data

Date of Birth: 08 September 1959  
Place of Birth: Sofia, Bulgaria  
Nationality: Austria/Bulgaria

### Education

1979-1984: Master Physics, University of Sofia  
1988-1991: PhD Physics, University of Sofia

### Career History

1992-1995: Assistant, Department of Solid State Physics, University of Sofia  
1995-: VW Postdoc Fellowship, IGV, Forschungszentrum Jülich, Germany  
1996-1997: Alexander von Humboldt Fellowship, IGV, Forschungszentrum Jülich, Germany  
1998-2001: Postdoc, Institute of Physics, Karl-Franzens University Graz  
2001-2002: Assistant, Institute of Physics, Karl-Franzens University Graz  
2002-: Associate Professor, Institute of Physics, Karl-Franzens University Graz

### Publications

> 120 publications in scientific journals

### Research Interests

Surface physics, Thin film growth, Surface structure, Two-dimensional Metal Oxides
